Our Mission

Enhance our community's quality of life through positive experiences in parks, recreation, and cultural arts.

**CHAMPAIGN
PARK DISTRICT**

The Champaign Park District is a special district of local government with its own financial and legal responsibilities. It is governed by five elected residents of Champaign who give their services to the community. The Park Board holds its regular meetings on the second Wednesday of each month at 7p at the Bresnan Meeting Center, 706 Kenwood Road. Residents are invited to attend and are welcome to make suggestions or comments to improve the programs or facilities offered. The Champaign Park District's 61 parks total over 700 acres. Fourteen facilities are available for a wide variety of recreational opportunities.

INCLUSION

The Champaign Park District promotes and supports inclusion within all its programs and services. To ensure all individuals feel welcome and are able to enjoy their experience, the Park District works with Champaign-Urbana Special Recreation (CUSR) to make the necessary accommodations. Inclusion of individuals with all abilities into Park District programs allow experience, education, acceptance, and growth of those involved. For more information on CUSR, visit page 39 or cuspecialrecreation.com.

RESIDENT/NON-RESIDENT (R/NR) FEES

Residents living within the boundaries of the Park District regularly support park facilities and programs through property taxes. People living within the Champaign and Urbana Park District boundaries pay the "resident (R)" fee. Persons residing outside these districts pay 50% more than the resident rates - "non-resident (NR)." However, in the case where the activity session is \$100 or more for the resident, the NR fee is only an additional \$50. Dodds Tennis Center program fees are not determined by residency, but by purchase of a Dodds Tennis Center membership, which is based upon residency. If you are not a member, you may participate by paying the guest fee.

RIVER RUN/WALK

All Ages

Here's a fun way to work towards better health and fitness with low impact water running/walking in Sholem's Lazy River. We will have the river current turned on and flowing. All walking/running will be against the current for added resistance. This is a self-guided/self-paced program. Feel free to bring your water weights for a more intense workout. All we ask is that all participating be respectful of those around them (no swimming, playing with toys, splashing, etc.).

Enjoy this WET (in the water) opportunity to walk/run your way to better health and fitness. Water shoes are recommended, but not required, for better traction in the river.

CORE BALLET CLASSES

LEVEL 1 (YEARS 1-2 OF TRAINING)

Ages 5-8

These first years of training will begin to develop the student's physical skills, stamina, creativity, expression, and musicality using a range of sounds and musical styles. This strong foundation prepares students for a successful transition to more formal ballet classes. In Level 1, students should be able to respond to the elements of music, perform expressively, and be able to demonstrate use of appropriate movement dynamics, coordination, elevation, and awareness of space.

LEVEL 2 (YEARS 2-3 OF TRAINING)

Ages 6-8

Training will continue to develop the student's physical skills, stamina, creativity, expression, and musicality using a range of sounds and musical styles. In Level 2, students should be able to respond to the elements of music and perform expressively, and be able to demonstrate use of appropriate movement dynamics, coordination, elevation, and awareness of space. Students should also be able to demonstrate a competency in both fine and gross motor skills as well as demonstrate the mental preparedness to move on to more formal ballet technique classes. This class will include some contemporary and character work.

LEVEL 4/5 (5-7 YEARS OF TRAINING)

They should also show a clear understanding of the mechanics and purpose of the required vocabulary. Students should show the ability to sustain an appropriate sensitivity to varying musical qualities. Technically clean Pirouettes will be asked for, and speed in petit allegro work will increase. This class will include some contemporary and character work.

Artistry and performance will be insisted upon at this level. This control of the body's core will be further called upon to perform the correct throwing action of a Grand Battement and also in grand

allegro. Double Pirouettes should be easily attained at this level. Pointework will be incorporated into this class if the student has met the guidelines set by the Dance Arts School staff.

The Dance Arts School staff strongly encourages pre-pointe shoes or pointe shoes (if student has met the guidelines) in Level 6/7. Practice tutus are encouraged in Level 6/7.

CHAMPAIGN BARK DISTRICT

Location: Southeast Corner of Windsor and Rising Road
Hours: Open daily from dawn to dusk, seven days per week, year round

The Champaign Bark District is a 7-acre space for your dog to run off-leash and interact with other dogs and humans. This park features a 4-foot fence, double-gated entry area, separate areas for large and small dogs, parking lot, dog wash station, drinking fountains, and dog waste stations.

BARK DISTRICT MEMBERSHIP

Purchase a one-year membership for your dog at the Leonhard Recreation Center, Springer Cultural Center, or online at champaignparks.com. Users found without proper membership tags will be asked to leave and may forfeit future park privileges. Bark District memberships are reciprocal with Urbana Park District's dog park, so your membership is valid at both dog parks.

Dog park membership carries with it responsibilities to all dog park users and the public at large. Not all dogs are good candidates for dog park play and interaction with a wide cross section of dogs. If your dog is shy about meeting new people, children, or dogs, it might not be a good candidate for the dog park. In addition, dog park users must be able to maintain control over their dogs even when off leash. All dogs at the dog park should be responsive to their owners' calls.

Requirement for Membership

Obtain the following information – it is required to complete your membership registration.

1. County registration form (or other proof of rabies vaccination). Current vaccination record from the vet (proof of distemper vaccination).
2. Membership fee payment. Resident and non-resident rates apply. Membership is for one calendar year (January 1 to December 31). Fees are not pro-rated, with exception to mid-season discount.

One Dog (Resident): \$38

One Dog (Non-resident): \$57

Each Additional Dog: \$6

Replacement Tag: \$10

3. Place the dog park ID tag on your dog's collar. This tag must be present at all visits to the dog park and may be checked by Park District staff.

Daily Admission

Want to check out the dog park before purchasing your membership? Daily admission passes are available at the dog park. Sign the waiver and release form and place it along with your \$5 in the envelope provided. All dog park rules apply to daily pass holders.

Questions/comments: shannon.meissner@champaignparks.com or 217-819-3988

For emergency assistance call 217-333-8911.

YOUTH SPORTS

Goals and Objectives

The philosophy behind the youth sports program is to provide an atmosphere that focuses on fun, opportunity, sportsmanship, and instruction. Sports can play a positive role in our children's development, fostering physical skills, and emotional maturity.

Children should have a place where they can have fun participating in organized activities in a healthy, safe environment. We strive to provide quality instruction in the fundamentals of the sport while emphasizing fun and sportsmanship over winning. By creating a positive experience for the children we hope to encourage a lifetime of involvement.

You can help. We need the cooperation and assistance of parents and coaches to promote and demonstrate these values.

Challenger British Soccer Camps provide young players of all abilities with the rare opportunity to receive high-level soccer coaching from a team of international experts right in the heart of their own community. Campers will be exposed to individual foot skills, technical drills, tactical practices, small-sided games, and scrimmages. Soccer skills are coached within a framework of character development based on respect, responsibility, integrity, leadership and sportsmanship. We offer a cultural education too! Our ever-popular Camp World Cup Tournament allows us to introduce players to the geography, traditions, and culture of other great soccer-playing countries.

Full-day campers should also bring a packed lunch with a beverage and snacks each day. All campers should arrive at camp with sunscreen already applied, as well as with additional sunscreen to apply as needed (we recommend an SPF of at least 30). REGISTRATION/MAKE-UP PROCEDURES

Please register at least one week in advance of the beginning of each program. All fees for programs are due at the time of registration, with the exception of workouts and various drop-in programs. Fees will not be pro-rated due to participant absence.

In the event of inclement weather, a decision as to whether class will be held will be made at the program site by the instructor. Whenever possible, tennis cancellations will be available at champaignparks.com or call 217-805-4100.

In the event a class is cancelled due to poor weather, facility or staff issues, class make-ups will be held at the regularly scheduled times following the end of a session on the day listed. If the number of cancelled days exceeds the number of make-up days, refunds will not be offered for the remaining days.

Take a Walk on Our Wild Side!

Whether you know the scientific name of switchgrass (*Panicum virgatum*) or can't tell the difference between a toad and a frog, we encourage you to discover all of our flourishing natural areas. Nestled within Heritage Park, Scott Park, Porter Family Park, and Sunset Ridge Park, all feature our careful attempt to restore the balance of nature in settings that are simultaneously beautiful and educational. So while you're exercising your body, get out to our natural areas and exercise your mind and soul as well; no two visits will ever be the same.

Interested in taking your love for nature to a higher level? Call Mike Davis or Randy Hauser at 217-819-3817 and become a Natural Areas Volunteer! Work sessions typically focus on staff-led invasive plant removal, seed collection, prescribed-burn monitoring, and a host of other activities that support the continued success of our natural areas program. All training and required equipment is provided.

HOP ON THE POLLINATOR BANDWAGON!

The continent-wide decline in the number of monarch butterflies is due primarily to the loss of the natural area habitats that support milkweed, the native host plants they require for survival. Join us as we continue to explore district-wide landscape management practices that are best able to restore the magnitude of the magnificent monarch and address the larger message of pollinator-awareness that they represent. Visit champaign-parks.com for more info.

GROWING TOGETHER TREES

Free!

The Growing Together Tree is a program for parents or soon-to-be parents to adopt a tree that has been planted in a Champaign Park District park during the year of their new child's birth or adoption year. Together they grow; child and tree.

Those who adopt a Growing Together Tree receive an infant t-shirt, a certificate, and a map with their tree's location. There is no fee, however a donation of \$200 to the Champaign Parks Foundation will purchase a 9 x 5 cast bronze plaque to personalize the tree in the park. Space is limited to 150 characters.

CELEBRATION TREES

Life is full of occasions to celebrate – the lives of loved ones, weddings, anniversaries, retirements, etc. The Champaign Park District's Celebration Tree program offers opportunities to plant a tree in one of our parks to recognize those moments. See box below for prices.

MEMORIAL TREES

Honor the life of a loved one with a Memorial Tree planted in one of our parks that will provide shade and happiness to all who visit. See box below for prices.

A donation of \$250 to the Champaign Parks Foundation, covers the cost of the tree, the installation by staff, and the maintenance of the tree for the duration of its life.

An additional donation of \$200 will purchase a 9 x 5 cast bronze plaque to personalize the tree in the park. Space is limited to 150 characters.

Participants will receive a certificate and a map of the tree's location within the park. A list of available species and parks is available by contacting Bret Johnson at bret.johnson@champaignparks.com or 217-819-3850.

Adopt-A-Park

Free!

The Adopt-A-Park program was developed by the Champaign Park District in 1982 after a class at Robeson Elementary School inquired about adopting the park near their school.

The purpose of the program is to encourage people in a park neighborhood to assume some responsibilities for their adopted park. This helps maintain and program the park above the level that the Champaign Park District is able to achieve on its own. Adopted parks build community support and often become the focal point of neighborhood activities. The park programs benefit both the Park District and the adopting group.

If you are interested in adopting a park or would like more information, please call 217-398-2550 or visit us at champaignparks.com.

FLOWER ISLANDS

The Flower Island program is a cooperative beautification effort between local businesses and the Park District. This unique program allows businesses to not only have a personal flower bed near their site, but to also assist with the sponsorship of beds on public property (schools, right-of-ways, etc.).

Each year, the local business pays a fee to the Park District. Half of this amount covers the cost of their bed(s) and the remainder supports the Flower Islands on public property. Hence, they enhance the beauty of the community twice! Services included for the annual fee are design, bed preparation, planting, maintenance, and fall removal.

Enrollment: September – November

WEATHER CANCELLATIONS

Programs may be cancelled due to inclement weather or unusable facilities. A decision regarding cancellation will be made two hours prior to the scheduled starting time for high school/adult programs and one hour prior to the start of youth programs. If deteriorating conditions force on-site cancellations, information will be put on the Rainout Line at champaignparks.com or 217-805-4100 as soon as possible.

PHOTOGRAPHS

Frequently, the Park District takes video or photographs of people enjoying programs, special events, parks, or facilities. These photographs are for Park District promotions, marketing, and related award entries. They are used at the Park District's discretion and become its sole property. If a registered participant wishes to be excluded from any photographs, they may do so in writing to the Champaign Park District Marketing Department, or by simply stepping away from the camera or notifying the photographer.

REGISTRATION DATES

Register in person at any Champaign Park District facility, with the exception of Bresnan Meeting Center, by mail or online at champaignparks.com. Champaign & Urbana Park District residents may begin registering immediately. Non-resident registration begins Monday, March 26, 2018.

PROOF OF RESIDENCY

Proof of residency must accompany all registration. Please present one of the following:

- Home address imprinted on check
- Driver's license
- Voter registration card
- Other legal proof of residency

FEES: RESIDENT/NON-RESIDENT (R/NR)

Residents living within the boundaries of the Park District regularly support park facilities and programs through property taxes. People living within the Champaign and Urbana Park District boundaries pay the "resident (R)" fee. Persons residing outside these districts will pay 50% more than the resident rates – "non-resident (NR)". However, in the case where the activity session is \$100 or more for the resident, the NR fee is only an additional \$50. Fees charged for programs are used to offset part of the costs for special instructors, facility costs and program supplies.

FEES: NON-RESIDENT OPTION

Program participants living outside the boundaries of the Champaign and Urbana Park Districts have an option of paying 50% more than the resident rates for each program registration or paying a yearly fee and the resident fee for each program.

The yearly fee is computed on the assessed valuation of the non-resident's home. The yearly fee is this valuation multiplied by the current tax rate of the Champaign Park District. The term of the payment coverage is from May 1 to April 30 of the following year. A person wishing to pay the yearly fee should bring a copy of the most recent tax bill to the Bresnan Meeting Center for computation of the fee. To receive the same privilege, non-resident renters may pay a flat fee of \$50.

The non-resident annual fee option is not available to persons residing adjacent to the Park District boundaries. They, however, have the option of annexing their property into the Champaign Park District.

DEADLINES

Program registration deadlines are established to give participants a date by which they should be registered. If enrollment is almost high enough to conduct a class, the registration deadline may be extended. If you missed the deadline, call 217-398-2550 to get information on possible deadline extensions.

PROGRAM CANCELLATIONS/REFUNDS

Day Camps: Refunds of fees paid minus the required deposit (per child/per session) will only be given through seven (7) days before the start of the session unless otherwise noted.

Programs with Monthly Billing: Two weeks notice in writing is required, or guardians are responsible for payment for the following month. More information is given in the Parent Handbook.

All Other Programs: Refunds will be given only through the second meeting of any program, unless otherwise noted above. There will be a \$5 service charge due to participant cancellation (per participant/per occurrence) unless otherwise noted.

Exceptions: If the Park District cancels a program due to minimum registration not being met, full refunds will be given. Pro-rated amounts will be refunded to participants if a class is cancelled by the Park District after it has begun. If a participant experiences a medical problem which prohibits program participation, the refund will be a prorated amount based on the number of sessions remaining in the program.

PROGRAM WAITING LISTS

Programs may fill. If this is the case, please ask to be placed on a waiting list.

DISHONORED CHECKS

A \$25 service charge will be assessed on all checks returned by the bank for any reason.

JIMMY JOHN'S YOUTH SCHOLARSHIP PROGRAM

To remove financial barriers to program participation, the Champaign Park District offers scholarships to reduce certain fees and charges.

Jimmy John's Youth Scholarship Program applicants are not guaranteed fund availability, program registration or choice of program location. Early applications are given priority. Applications are available at champaignparks.com or at any facility, and can be mailed upon request. Need is the primary criterion upon which scholarship applicants are considered.

Based on parents' family size and income, working families whose incomes are at or below 50% of the state median income level may be eligible to apply. Processing can take up to 10 business days.
